Song of Solomon 1:2

From our honey colored floors and stage, to our rich acoustics and exceptional organ, the Sanctuary of All Pilgrims Christian Church is a welcoming space for weddings and commitment ceremonies. We are a progressive, open and affirming congregation that proclaims the radical love of Christ to all of God's people. We warmly welcome couples of all kinds who want to bless their union and celebrate their commitment with friends, family and community.

With capacity for up to 300 guests in the Sanctuary, we are centrally located at the corner of Broadway and Republican in the Capitol Hill neighborhood of Seattle.

All Pilgrims Christian Church provides a warm, welcoming, centrally located church for commitment ceremonies and weddings. Originally built in 1906 and renovated in 1999, our Sanctuary is flooded with natural light, and features open-beamed 35-foot ceilings.

Our facility is available for rental, or we offer complete wedding services for the couple including pastoral pre-marital counseling.
